### **Independent Auditor's Report**

Board of Directors As Our Own, NFP Chicago, Illinois

We have audited the accompanying consolidated financial statements of As Our Own, NFP and Aspire International, LLC, collectively referred to As Our Own, NFP (the Organization), which comprise the consolidated statement of financial position as September 30, 2015 and 2014 and the related consolidated statements of activities, functional expenses and cash flows for the years then ended and the related notes to the consolidated financial statements.

## Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of As Our Own, NFP as of September 30, 2015 and 2014 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### 1. Nature of activities

## **Nature of organization:**

As Our Own, NFP is an Illinois not-for-profit corporation, incorporated in April 2006 and is organized exclusively for religious, charitable and educational purposes. Aspire International, LLC is an Indiana limited liability company, formed in May 2013 as a wholly-owned subsidiary of As Our Own, NFP and organized for the sole purpose of directing grants from As Our Own, NFP to qualified charitable organizations in India. Collectively, these companies are referred to As Our Own, NFP (the Organization) in these consolidated financial statements. Currently, the Organization operates primarily from Houston, Texas.

#### **Program activities:**

The Organization's program goals are mainly achieved by making grants to qualified charitable organizations in India with similar charitable missions. The Organization's programs are supported primarily through public donations.

As of September 30, 2014, the program activities of the Organization included the following:

- *Rescue* is a community-driven movement in India that rescues vulnerable children from certain enslavement and exploration, caring for them as our own.
- Aftercare is a dedicated lifelong aftercare for each rescued child.
- *Prevention* is an investment in communities to equip and empower their leaders to transform society from the inside out.

During the year ended September 30, 2015, the Organization restructured its program activities to include the following:

- *Care* provide vulnerable children a lifelong family, an identity as our daughter and as daughters of a loving Father and to provide a high quality education through college to empower them to fulfill their God-given purpose.
- *Training* equip and disciple India's next generation of leaders and caregivers through the Hope College Child Development Institute, which offers a Master's degree in Biblically-based and clinically-sound child development.
- *Replication* empower, mentor and equip other organizations to elevate the quality of care in their group homes and replicate the As Our Own model.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## 2. Summary of significant accounting policies

## **Use of estimates:**

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Principles of consolidation:**

These consolidated financial statements include the accounts of As Our Own, NFP and its wholly-owned subsidiary, Aspire International, LLC. Material intercompany balances and transactions have been eliminated.

#### **Basis of presentation:**

The Organization reports information regarding its consolidated financial position and consolidated activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. These classes of net assets are based on the existence or absence of externally (donor) imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified as follows:

**Unrestricted** - Unrestricted net assets are not subject to donor imposed stipulations. They include all activities of the Organization except for amounts that are temporarily or permanently restricted. The only limits on the use of unrestricted net assets are the broad limits resulting from the nature of the Organization, the environment in which it operates and the purposes specified in its articles of incorporation.

**Temporarily Restricted** - Temporarily restricted net assets are subject to donor imposed stipulations that can be removed through the passage of time (time restrictions) or actions of the Organization (purpose restrictions).

**Permanently Restricted** - Permanently restricted net assets are subject to the restrictions imposed by donors who require that the principal in these classes of net assets be invested in perpetuity and only the investment income be expended. The Organization had no permanently restricted net assets as of September 30, 2015 and 2014.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

# 2. Summary of significant accounting policies (continued)

#### Cash and cash equivalents:

The Organization considers deposits in checking and savings accounts to be cash.

### Contributions and promises to give:

Contributions are recognized when a donor makes a promise to give to the Organization that is, in substance, unconditional. Donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. Temporarily restricted support is reclassified to unrestricted net assets upon satisfaction of the restriction.

The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made. As of September 30, 2015 and 2014, the Organization has determined that all promises receivable were fully collectible.

Multi-year promises to give are measured at the net present value of future cash flows. As of September 30, 2015 and 2014, the discount on multi-year promises receivable was not significant.

#### **Donated goods and services:**

The Organization received a significant amount of donated services from unpaid volunteers who assist in fundraising, clerical and special projects. These donated services are not reflected in the consolidated financial statements since the services do not meet the criteria for recognition under U.S. GAAP.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Contributions of donated non-cash assets are recorded at their fair values in the period received. The Organization reports these gifts as unrestricted support, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support.

### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

## 2. Summary of significant accounting policies (continued)

### Property and equipment and related depreciation and amortization:

Purchased property and equipment is recorded at historical cost. Donated property and equipment is recorded at its fair value as of the date of the donation. The Organization capitalizes property and equipment additions over \$500 having useful life of more than one year. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Amortization of leasehold improvements is provided over the lesser of the estimated life of the asset or the remaining lease term using the straight-line method. Maintenance and repairs, which neither materially add to the value of the property nor appreciably prolong its life, are charged to expenses as incurred.

### **Allocated expenses:**

Expenses are charged to their functional category that they are directly identified with. In the case that these expenses are identified with more than one functional area, they are allocated on the basis of ratios estimated by management.

#### **Advertising costs:**

Advertising is primarily used by the Organization to promote its activities and programs among donors and prospective donors. Advertising costs are expensed as incurred. The Organization's advertising costs totaled \$19,105 and \$40,396 for the years ended September 30, 2015 and 2014, respectively.

#### **Income taxes:**

As Our Own, NFP is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified by the Internal Revenue Service (IRS) as other than a private foundation. Aspire International, LLC is considered a disregarded entity for income tax purposes and does not file its own income tax returns.

U.S. GAAP requires the Organization's management to evaluate tax positions taken by the Organization and recognize a tax liability if the Organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities.

#### **Reclassifications:**

Reclassifications have been made to prior year balances and disclosures to conform to the current year's presentation.

#### NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

# 3. Capital campaign

During the year ended September 31, 2014, the Organization received an in-kind contribution of assets and a payment for professional services to host a fundraising event. Such assets consisted of a boat and boat accessories that were periodically raffled off during that year and during subsequent period from October 2014 through January 2015. The Organization recognized \$107,037 in revenue and \$15,573 in in-kind professional fees expense in its consolidated statement of activities for the year ended September 30, 2014. In accordance with U.S. GAAP, the Organization recorded donated assets at their fair value on the date of the gift and then subsequently adjusted non-cash contribution amount to cash proceeds raised from the fundraiser.
